

NCBA adds GIANT Sponsor

February 10, 2006

The NCBA is proud to announce GIANTS Snacks as “An Official Sponsor of the NCBA.” GIANTS Sunflower Seeds are special in many ways with the exceptional taste being the first thing you notice. They select their raw product from the top 5% of the sunflower crop in relation to size and quality. The GIANTS Seeds are salted with their own special micro-fine salt and roasted to perfection.

GIANTS is the Official Sunflower Seed for The MINNESOTA TWINS, The REDHAWKS of Fargo North Dakota, Mississippi State University, Southern Mississippi, The SALT DOGS of Nebraska and now the National Club Baseball Association. With their seeds you’ll note the difference when comparing the quality to other brand name seeds, as well as the generic or private label sunflower seeds. You will also see that the premium seeds pop open easily with less splintering allowing a much cleaner discarding process.

NCBA teams will receive a 25-37% discount off of the prices listed on Giants Sunflower Seeds website, www.giantsnacks.com, by ordering 3 or more cases at a time and faxing in the order sheet. The order form will be included with a free sample of GIANTS arriving within the next few weeks. These great prices, which include shipping, will ensure that every person on each team is chewing high quality seeds at an unbelievably low price. Teams competing at the NCBA Spring Training Showcase and NCBA World Series will also be treated to Giants during their games.

GIANTS says, “**Dare To Compare**” and you will choose the “**THE BEST**”, you will choose the premium quality and taste of the **GIANTS Sunflower Seeds**.

To purchase your high quality seeds at an unbeatable price please contact Pam Kath at (877) 442-6870 or jason@giantsnacks.com with your order.
