2013 Season Outlook: Eyes set on a SoPac North League Championship and returning to the Regionals Championship Game. Veteran experience as well as young talent are a large part of what should make the Golden Bears successful this year. Returning are their top 6 hitters, with some much hyped freshman who are looking to be competing for starting spots. The leading factor that led to the Bears' fall in the Las Vegas Regional was pitching; in an effort to fill all the holes on the roster a lot of new arms were added, including some very promising looking freshman and junior transfer players who are ready to step in and contribute some big innings. With a very powerful Golden Bears offense returning as well as a repaired and much

2013 Season Outlook: We are expecting to be very competitive within our conference as well as the national scope this year. We have returning depth in the field and in the starting rotation and have added some talented youngsters for this upcoming year. After a productive fall season in which we finished 2-3-1 against some talented local teams we will look to improve on a disappointing finish from last season. Right off the bat we will get a good chance to see how we stack up against some of the better teams on the West Coast in the UCSB President's day tournament.
