April 18, 2013

Dear Club Baseball Enthusiasts,

This letter is to serve as a formal invitation to the 14th annual meeting of the National Club Baseball Association. We are inviting any and all representatives from all current and future NCBA member teams to attend this meeting ONLINE and learn more about the current state of the NCBA and where the league is heading into the future. The annual league meeting is your opportunity to learn about the latest happenings around the league, understand how the league operates and to assure you that the league is headed in the right direction. Be sure that your team is not left out in learning more about these important topics.

Last year's league meeting was once again held at the site of the NCBA DI World Series. Those in attendance were given a first hand experience of the World Series events. The World Series is the ultimate goal of every team in the NCBA and more team representatives had the opportunity to witness the magnitude of the event and further fuel the desire to one day reach this goal. While the League Meeting was beneficial to all in attendance, the purpose of the meeting is to inform as many club baseball enthusiasts as possible about the NCBA. Unlike last year, this year's Annual League Meeting will take place online. This will allow the NCBA to reach as many club baseball enthusiasts as possible. As long as you have an internet connection, you can be a part of this very important meeting.

This year's meeting will be held on **Wednesday, August 7th, 2013 at 7:00 pm E.S.T.** More details regarding the online meeting website and access codes will be sent out as the meeting date draws closer.

Please visit the official NCBA web pages (www.clubbaseball.org or www.clubbaseball.org/Div2) for league updates and headlines. If you have any questions or concerns, you can email me at Christian.Smith@CollClubSports.com, or reach me by phone at 412-321-8440 x104. If there are any club teams that you know of that may not have received this letter, I would appreciate it if you would forward a copy of this to them. I look forward to having you at this year's online NCBA League meeting!

Sincerely,

Christian Smith
VP of NCBA Team Development
National Club Baseball Association
