## Interview with Dan Grossi & Mike Hemingway

**DG:** With a big regional series against UMass Lowell coming up, what are your expectations? What can we expect from Goodwin College this weekend?

**MH:** "We need to bring our A game this weekend. We played UMass Lowell twice this season, and we split the series so this is going to be a great matchup. We've been working hard in practice and need to limit mistakes on the court to be successful."

**DG:** What is your pregame routine?

**MH:** "I'm a big R&B guy, so I like to listen to music before games. As the team captain I go around to each player during pregame and let them know what I expect from them. We also pray together before each game like a family. This season has been the most exposure our team has gotten thus far and we are looking forward to this opportunity to play in the regionals, and hopefully be in the National Championship."
