What a week! The second week of the 2015 NCBA Spring Training Showcase featured 28 teams and 68 games in just a six-day stretch. With some of the top-ranked Division I and Division II teams joining us in Plant City, we had a chance to see a lot of great baseball. Blue skies and temperatures reaching over 90 degrees made for a beautiful few days.

Teams hit the nightlife hard in Tampa - with a great turnout at The Press Box on Wednesday night and another big one at Players Sports Pub on Thursday, the NCBA was well-represented downtown. Two weeks, down, three more to go!
