Three weeks down, two to go! Week 3 of the NCBA Spring Training Tournament was an awesome one at Mike Sansone Complex. We were joined by 18 NCBA Teams, nine of which have been featured in the Division I Top 20 and the Division II Top 15 Polls this season. In other words, there was a lot of great baseball played.

In addition to their annual trips to Clearwater Beach and lots of MLB Spring Training games, teams enjoyed nights out at our local sponsors and had a blast with the NCBA Staff. Team Night at The Press Box was a hit again, and a few teams even bonded over a few beverages at MacDinton's in Tampa. The weather stayed beautiful all week long and some of the best baseball we've seen rolled into town - we're ready for Week 4!
