The first week of the 2014 NCBA Spring Training Showcase has come to an end. The seven teams participating in this week kicked off the NCBA STS with a bang! Packed with some exciting one-run games and even a few heavy-hitting homers, the week was a perfect beginning to our month of Spring Training baseball.

Teams not only had a great week for baseball, but they got to enjoy the Spring Break atmosphere that Tampa has to offer. Teams nights at The Press Box and Hogan's Beach proved to be a big hit and gave the teams a chance to get to know each other. Teams hit the beaches, MLB Spring Training games, and theme parks on their off days.
