Four weeks down, one to go! We are in the homestretch of the NCBA Spring Training Showcase at the Mike Sansone Complex. We were joined by eight NCBA Teams, several of which have made postseason appearances in recent seasons. A smaller week for teams, but the baseball was just as good if not better than in previous weeks.

In addition to their annual trips to Clearwater Beach and MLB Spring Training games, teams enjoyed nights out at our local sponsors. With only a half day of rain we were able to keep on track and get all of the games in, every other minute was filled with gorgeous sunshine. These Week 4 teams kept their Spring Break dreams alive with a passion for bro-tanks and our sponsored energy drink, Red Bull. Looking forward to closing out the showcase with our final week of teams arriving over the next few days.
