The final week of the 2013 NCBA Spring Training Showcase has come to an end. The week was full of extremely competitive games with lead changes throughout and even some one-run decisions.

Teams not only had a great week for baseball, but they got to enjoy the Spring Break atmosphere that Tampa has to offer. Team night at Champps proved to be a big hit and gave the teams a chance to get to know each other. Teams hit the beaches, MLB Spring Training games, and theme parks on their off days.
