NCBA DI World Series Lands Two Great Hilton Hotel Properties

Pittsburgh, PA - The NCBA is excited to announce that they have signed a contract with two Hilton Hotel properties for the DI World Series: DoubleTree by Hilton Raleigh-Cary and Hilton Garden Inn Raleigh-Cary. These two properties will be available for both teams and fans alike.

Nestled in the safe Cary Crossroads Plaza, the DoubleTree by Hilton and Hilton Garden Inn Raleigh-Cary hotels are conveniently located near US-1, I-40 and I-440. The location is ideal for teams, traveling families and fans attending the 2017 DI NCBA World Series. The Hilton Complex in Cary offers the ideal combination of full service amenities, location and value in a safe suburban environment.

Located right next to each other, these two hotels also boast a short 15 minute drive to the North Main Athletic Complex where all the World Series games will take place. In addition, each hotel will offer complimentary breakfast along with the low nightly rate that only the NCBA can provide.

At the DoubleTree, guests can enjoy an indoor pool, coin laundry for those dirty uniforms, and "Park Bar and Grill" a full service restaurant for the whole family to enjoy. At the Hilton Garden Inn, teams and families have access to the same things as the DoubleTree along with a patio lounge outside the pool and a hot tub. Teams can get two queen beds for \$104/night at the Hilton Garden Inn or for \$99/night at the DoubleTree.

"I'm so excited that we were able to partner with two fantastic properties, the DoubleTree and the Hilton Garden Inn as the official host hotels for the 2017 NCBA DI World Series," says Christian Smith, VP of DI Baseball Operations at the NCBA. "With both properties side by side to one another and only a few minutes to North Main Athletic Complex, it was the perfect fit for this event. Both properties are extremely well appointed and will offer everything our teams are looking for when they are away from the ballpark. I know that the eight teams that make the DI World Series this year, will be blown away by not only the venue they will be playing in, but the host hotels they will be relaxing in."

The NCBA is truly looking forward to such an amazing event that is sure to attract locals and loyal NCBA fans from all over the country. See you there!
