NCBA DI World Series Signs on BRAND NEW Host Hotel

Pittsburgh, PA - The NCBA is excited to announce that they have signed a contract with Homewood Suites by Hilton for the 2018 DI World Series!

Nestled in the safe Cary Crossroads Plaza, the Homewood Suites is conveniently located near US-1, I-40 and I-440. The location is ideal for teams, traveling families and fans attending the 2017 DI NCBA World Series. The Hilton property offers the ideal combination of full service amenities, location and value in a safe suburban environment.

At Homewood Suites, guests can enjoy an outdoor kitchen and pool, coin laundry for those dirty uniforms, spacious suites with full-size kitchen and fridge, free internet, a complimentary social hour Monday through Thursdays, and a hot breakfast for participating teams. In addition, this property is located only a short 17 minute drive to Ting Stadium (formerly North Main Athletic Complex) where teams will be playing for a chance to become National Champions.

“With having such an amazing experience for Teams and Staff alike at their DoubleTree and Hilton Garden Inn properties last year, it was a priority to find a way to work with Parks Hospitality Group again this year,” says Christian Smith, VP of Baseball Operations. “After seeing all the amazing amenities that their brand new Homewood Suites property offered, I knew it would be a perfect fit for our teams. Having teams budget in mind, Homewood Suites gives them the best bang for their buck. Not only do they offer complimentary breakfast, but having FREE drinks and food Monday through Thursday night and rooms with full kitchens, will certainly help teams save money during their trip. Couple those cost saving amenities with a beautiful property, Homewood Suites will be the perfect host hotel for the 2018 NCBA DI World Series.”
