2020 NCBA Division I RULES & REGULATIONS

NOTE: The goal of the NCBA is to promote fair competition and sportsmanship. In an effort to promote these two ideals, the NCBA strongly recommends the following:

- *Each NCBA Club President read the NCBA Rulebook and have open discussions with their respective clubs regarding the rules governing play and eligibility with the NCBA.*
- *Each NCBA Club President read the NCAA Rulebook and have open discussions with their respective clubs regarding how these rules govern and support the NCBA Rulebook.*

The National Club Baseball Association follows the [NCAA Div 1 rules of play](#) with the following exceptions listed below.

1.00.00 (Conference Play)

- 1.01.0 All NCBA conference play will be broken up into 3-game series.
 - 1.01.1 While teams are allowed to play triple headers, they can never be forced to play 3 regular season conference games in a single day.
 - 1.01.2 Any team that is deemed eligible to play an “NCBA Sanctioned Baseball Game” in the fall will be scheduled at least 1 conference series in the fall.
 - 1.01.3 When submitting scheduling requests for Conference Play, teams are only permitted to request two of the following off:
 - 1.01.3.1 Easter Weekend
 - 1.01.3.2 First Weekend of Spring Break
 - 1.01.3.3 Last Weekend of Spring Break
 - 1.01.4 In Conference Play situations where the home field is swapped (SCHEDULED home team does not have access to a field and has to now travel to SCHEDULED away team), the team who is hosting the field is allowed to play as the home team upon agreement between both teams and the Regional Director.
 - 1.01.4.1 However, in the eyes of the NCBA the game will still be viewed and recorded as originally scheduled and the future home/away schedule rotation will remain in tact.
 - 1.01.4.2 Example: If in 2017 Team A is schedule to play at Team B but Team B can’t get a field and agrees to play the game(s) at Team A’s field with Team A being the home field, in 2018 Team B will be scheduled to play at Team A.
- 1.02.0 Conferences of 4 Teams or fewer
 - 1.02.1 NCBA teams in conferences made up of four or fewer teams will play both a home 3-game series and an away 3-game series against each conference opponent during a single NCBA season.
 - 1.02.1.1 An exception is if a visiting team forfeits an entire away conference series without traveling to the opponent, then the following season the team that failed to make the away trip will once again be scheduled away against that particular conference opponent even if it means they must travel to them twice in the same season.

- 1.02.1.1.1 Once the forfeiting team has traveled to the opponent in which they had forfeited to, the conference schedule will return to its original rotation.
- 1.02.1.1.2 Example: If in 2017 Team A is scheduled to play 3 games at Team B and Team B is scheduled to play 3 games at Team A, but Team A forfeits the entire 3 game series and fails to make the trip to Team B, then in 2018, Team A will be scheduled to play both 3 game series at Team B. Should Team A actually travel to Team B for their conference series in 2018, then in 2019 the conference schedule would return to the original rotation with Team A once again being scheduled to play 3 games at Team B and Team B playing 3 games at Team A.
- 1.03.0 5+ Team Conferences
 - 1.03.1 NCBA teams in conferences made up of five or more teams will play either a home 3-game series or an away 3-game series (but not both) against each conference opponent during a single NCBA season.
 - 1.03.2 NCBA teams in conferences made up of five or more teams will alternate their home and away 3-game series with each conference opponent from one NCBA season to the next.
 - 1.03.2.1 Example: If Team A played a 3-game series at Team B during the 2017 NCBA season, Team B will play a 3-game series at Team A during the 2018 NCBA season.
 - 1.03.2.2 An exception is if a visiting team forfeits an entire away conference series without traveling to the opponent, then the following season the team that failed to make the away trip will once again be scheduled away against that particular conference opponent.
 - 1.03.2.2.1 Once the forfeiting team has traveled to the opponent in which they had forfeited to, the conference schedule will return to its original rotation.
 - 1.03.2.2.2 Example: If in 2017 Team A is scheduled to play at Team B but forfeits the entire series and fails to make the trip to Team B, then in 2018, Team A will once again be scheduled to play at Team B. Should Team A actually travel to Team B for their conference series in 2018, then in 2019 the conference schedule would return to the original rotation with Team A once again being scheduled to play at Team B and Team B playing at Team A in 2020.
- 1.04.0 Scheduling
 - 1.04.1 Unless mutually agreed upon by both teams in writing to the regional director, the conference series can begin no earlier than 8am local time on Saturday.
 - 1.04.2 Unless mutually agreed upon in writing to the Regional Director by both teams, the final game of a weekend conference series may not be scheduled to start later than 4pm local time Sunday of that week.
- 1.05.0 Rain Outs
 - 1.05.1 The following hierarchy dictates who has the official say when declaring a **NCBA Sanctioned Baseball Game** is rained out:
 - 1.05.1.1 Field managing entity.
 - 1.05.1.2 Mutual agreement between home and away team.

1.05.1.2.1 Regional Director must be contacted to verify mutual agreement.

1.05.1.3 The umpire in chief.

1.05.2 In the event that a NCBA conference game(s) would be rained out, the teams have until midnight Thursday of the week following the week that the game(s) were originally scheduled to be played to mutually agree upon a make up date and submit it to their Regional Director for approval.

1.05.3 Should the teams fail to mutually agree upon the make up date, the Regional Director will officially set the make up date at his/her discretion.

1.06.0 Non-Conference Games

1.06.1 All NCBA teams are welcome and encouraged to supplement their conference schedule with non-conference games against: NCBA Member Club Baseball Teams, Non-NCBA Collegiate Club Baseball Teams, and any other Collegiate Baseball Team.

1.06.2 Conference games ALWAYS take top priority over non-conference games, and it is possible non-conference games may need to be bumped from the schedule in order to make up conference games that were not played due to unplayable conditions.

1.06.3 In the event that two NCBA teams play a game during a time period in which one team can count it as a “**NCBA Sanctioned Baseball Game**” and the other team must count it as an “**Off Season Baseball Game**”, the by default the game is automatically considered an “**Exhibition Baseball Game**”.

1.07.0 Conclusion of Conference Play

1.07.1 Conference play officially concludes at midnight of the Sunday prior to the scheduled start of each Region’s Playoff Tournament.

1.07.2 No additional conference games may be played after the official conclusion of conference play, even if games that were rained out have not yet been able to be made up.

2.00.00 (Inter-League Play)

2.01.0 Any game played between a NCBA Division I team and a NCBA Division II or NCBA Division III team must be played using NCBA Division I Rules of play.

2.02.0 Any games between the NCBA Division I team of a College or University and that same school’s NCBA Division II or Division III team can count ONLY **TWO games** towards their overall record. HOWEVER, those game(s) WILL NOT count towards the required 3-game non-conference requirement for the post-season and WILL NOT be factored in for Regional or World Series seeding.

2.02.1 Any other games between the NCBA Division I team of a College or University and that same school’s NCBA DII or DIII team will automatically considered an **Exhibition Baseball Game**.

2.03.0 No baseball team holding membership in the NCBA may compete in another baseball league which runs simultaneously as the NCBA season.

2.03.1 In the event that a NCBA member school has a 2nd team or a “B-Team” which operates with a completely different roster of players as the NCBA Member Team, that “B-Team” is allowed to compete in a another baseball league outside of the NCBA.

- 3.00.00 (Determining Conference Standing/At-Large Bids/Playoff Seeding)
 - 3.01.0 Determining Conference Standing
 - 3.01.1 For a team to be eligible to win their conference, the total number of conference games they played must equal or exceed 75% of the average number of conference games played by all teams in their conference including forfeits.
 - 3.01.2 For a team to be eligible to win their conference or receive an At-Large Bid, they must have played a minimum of 3 non-conference games excluding unplayed forfeits.
 - 3.01.3 The first criterion for determining conference standing is conference-winning percentage.
 - 3.01.4 The first tiebreaker for determining conference standing is conference game head to head results.
 - 3.01.5 The next tiebreaker for determining conference standing is conference game results versus the conference champion.
 - 3.01.6 The next tiebreaker for determining conference standing is conference game results versus the next best conference team.
 - 3.01.7 The next tiebreaker for determining conference standing is the lower number of conference game runs allowed versus the tied opponents including forfeits.
 - 3.01.8 The next tiebreaker for determining conference standing is the lower average of runs allowed per conference game played excluding forfeits.
 - 3.01.9 The final tiebreaker for determining conference standing is a coin toss.
 - 3.01.9.1 *Example 1:* Given a three way tie if Team A swept Team B, Team B swept Team C, and Team C swept Team A, and Team A, B, and C swept all the other conference opponents. Team A allowed 50 runs, Team B allowed 40 runs and Team C allowed 30 runs. Team C would be the conference winner and Team A would be the runner up (head to head with Team B)
 - 3.01.9.2 *Example 2:* Given a three way tie if Team A swept Team B, Team B swept Team C, and Team C swept Team A, and Team A, B, and C swept all the other conference opponents. Team A allowed 50 runs, Team B allowed 50 runs and Team C allowed 55 runs. Team A would be the conference winner (head to head with Team B) and Team B would be the runner up (head to head with Team C)
 - 3.01.10 Once the tie breakers are used to determine the conference champion, the process starts over from the beginning to determine the conference runner up with the conference champ excluded from consideration.
 - 3.02.0 At-Large Bids
 - 3.02.1 On occasion the opportunity arises for one or more teams that do not win their conference to be selected to make the Regional Playoffs as an At-Large Bid.
 - 3.02.2 All teams selected to receive an At-Large Bid are chosen at the discretion of the NCBA's Selection Panel.
 - 3.02.3 Factors taken into account by the NCBA when selecting an At-Large Bid consist of but are not limited to:
 - 3.02.3.1 Did the team finish in 2nd place in their conference?
 - 3.02.3.2 How did the team perform against their conference champion?
 - 3.02.3.3 Is the team on probation?
 - 3.02.3.4 Has the team forfeited any games?
 - 3.03.0 Playoff Seeding

-
- 3.03.1 Seeding for all opening round NCBA Regional post-season playoff games will be:
 - 3.03.1.1 If there is an At-Large Bid, they will always be the 4th seed.
 - 3.03.1.2 Conference winners will be seeded first by Conference win percentage, then Overall win percentage, Top 20 Poll, then by coin toss.
 - 3.03.1.3 Opening Round match-ups will be the number 1 seed versus the number 4 seed and the number 2 seed versus the number 3 seed.
 - 3.03.1.3.1 If the number 1 seed and the number 4 seed are in the same conference, then the opening round match-ups will be the number 1 seed versus the number 3 seed and the number 2 seed versus the number 4 seed.

 - 4.00.00 (Game Length)
 - 4.01.0 NCBA Sanctioned Tournaments
 - 4.01.1 Groups interested in hosting a tournament that is sanctioned by the NCBA, can apply for sanctioning by contacting the NCBA Front Office.

 - 4.03.0 Regular Season
 - 4.03.1 Any Double Header regular season **NCBA Sanctioned Baseball Game** will be played in a 7-inning format.
 - 4.03.1.1 An exemption to this is, if both teams wish to play one game of a double header in a 9-inning format so that they can play the single game of the series in a 7-inning format, they may do so if approved by the NCBA front office.
 - 4.03.1.1.1 Requests to play one game of a double header in a 9-inning format must be received (In writing) by the Regional Director overseeing those games, no less than 48 hours in advance of the games scheduled start time.
 - 4.03.2 Any single (Non Double Header) regular season **NCBA Sanctioned Baseball Game** will be played in a 9-inning format.
 - 4.03.2.1 An exemption to this is, if both teams wish to play the single game of the series in a 7-inning format, they may do so if approved by the NCBA front office, provided one game of the series double header is played in a 9-inning format.
 - 4.03.2.1.1 Requests to play the single game of the series in a 7-inning format must be received (In writing) by the Regional Director overseeing those games, no less than 48 hours in advance of the games scheduled start time.

 - 4.03.4 Mercy rule 4.07.0 will be in effect during all NCBA Regular Season games.
 - 4.03.5 If a team is winning at the end of five or more full innings and the official declares the game must be stopped due to weather, darkness, or other unplayable conditions, the team that is ahead at the end of the last completed inning is declared the winner UNLESS the visiting team ties or takes the lead during a partially played inning prior to the game being called.
 - 4.03.5.1 In this scenario, the halted game rule will be in effect ONLY if the game is able to be finished within the confines of the originally scheduled weekend series.
 - 4.03.5.2 If halted, it must be finished before the start of any remaining conference games still needing to be played between the two opponents.
 - 4.03.5.2.1 If teams begin a new game prior to finishing the halted game, the remaining game(s) against the two teams will not count and will be rescheduled.
 - 4.03.6 If the score is tied at the end of five or more full innings OR if five full innings have not been played when the official declares the game must be stopped due to weather or darkness, a HALTED GAME RULE will be in effect during NCBA Regular Season play.

 - 4.03.6.2 A halted game must resume play at exactly the point of being halted, with the lineups and batting orders of both teams exactly the same, subject to the rules of substitution; any player (or pitcher) who played, or was announced as a substitute before the game was halted, must be in the lineup when play resumes or be ineligible for the remainder of the game.
 - 4.03.6.3 A halted game, when resumed will be played in the exact game length format in which it was started, and will continue until a winner is declared.
 - 4.03.6.4 Stats from this game will not count until the game is concluded and should not be submitted to the league.

 - 4.04.0 Regional Playoffs
 - 4.04.1 All NCBA Regional post-season playoff games will be planned to be played in a 9-inning format.
 - 4.04.1.1 It is at the discretion of the Regional Director whether it is logistically feasible to host the regional tournament in a 9-inning format. If deemed unfeasible, the Regional Director has the authority to alter the format of all

-
- or part of the regional tournament as deemed necessary to a 7-inning format.
- 4.04.1.2 If there is a chance that one team has to play three FULL games in one day, ALL games that day have to be played in a 7-inning format.

 - 4.05.3.2 A halted game must resume play at exactly the point of being halted, with the lineups and batting orders of both teams exactly the same, subject to the rules of substitution; any player (or pitcher) who played, or was announced as a substitute before the game was halted, must be in the lineup when play resumes or be ineligible for the remainder of the game.
 - 4.05.3.3 A halted game, when resumed will be played in the exact game length format in which it was started, and will continue until a winner is declared.

 - 4.07.3 If the home team does not need to bat in their bottom half of the inning in order to go up by ten or more runs, then they are declared the winner, and play must be stopped.
-

4.07.3.1 If the home team only needs part of their inning to go up by 10 or more runs, then they are declared the winner and play must be stopped.

4.07.4 This rule is not in effect during World Series post-season play.

5.00.00 (Lineup Cards/Substitutions/Conferences)

5.01.0 Prior to the start of any **NCBA Sanctioned Baseball Game**, a lineup card must be submitted to both the opposing team and the home plate umpire.

5.01.1 The game is not permitted to begin until the umpire has received and approved both teams' lineup cards.

5.02.0 The lineup card must designate a manager/head coach for the team for that particular game.

5.02.1 In the event that the lineup card does not designate a manager/head coach, by default who ever turns the lineup card in to the home plate umpire is designated the manager/head coach for that particular game even if it's a player.

5.02.2 The designated manager/head coach in a particular game will be charged for mound visits in that game in accordance with NCAA rules. (3 per game, 1 per inning)

5.02.2.1 *Example:* Should any position player (catcher included) be listed as the designated manager/head coach, each time they visit the mound they will be charged with an official visit.

5.03.0 The NCBA follows NCAA Offensive/Defensive Conference Limit Rules. The NCAA rule is listed below for convenience.

5.03.1 A coach or player is granted a timeout for an offensive or defensive conference. Each team shall be allowed three (3) offensive and (6) defensive conferences per game, no more than three (3) of which may include a coach. If the game goes into extra innings, the team will receive one (1) extra defensive conference and one (1) extra offensive conference plus any unused conferences from the first nine innings.

5.03.1.1 *Example:* Should any position player (catcher included) be listed as the designated manager/head coach, each time they visit the mound they will be charged with an official visit.

5.03.1.2 Note: Offensive conferences may be used consecutively in the same inning.

5.03.2 Umpires shall record offensive and defensive conferences and notify the coach when each conference is charged.

5.03.3 After the maximum number of offensive and defensive conferences have been used, the umpire shall warn the coach before penalizing the offending team.

5.03.3.1 PENALTY for (5.03.3)—the player involved in the conference shall be removed from the game. If the conference is between the head coach and the assistant coach, the assistant shall be removed from the game.

5.03.4 Offensive and defensive conferences not previously used may be used in extra innings.

5.03.5 Offensive conferences shall not be charged during a defensive team's timeout for a pitching change. Any runners who leave their positions during the pitching change must return to their bases prior to the last warm-up pitch so play is not delayed or risk being charged with an offensive conference. Batters or runners

- may not leave their positions during a charged defensive conference unless they also request an offensive charged conference.
- 5.04.0 The lineup card must list the last name and number worn during that particular game for all starting players and available substitutes.
- 5.04.1 If the starting players numbers are not listed on the lineup card, the opposing team can request that numbers be listed.
- 5.04.1.1 If the starting players numbers are not provided after request, the listed head coach/manager is ejected.
- 5.04.2 Only substitutes listed on the lineup card are eligible to compete in that particular game.
- 5.04.2.1 Substitutes are allowed to take a number of a starter as long as the umpire and opposing team are notified.
- 5.04.2.1.1 If umpire and opposing team are not notified the offending head coach/manager is ejected.
- 5.05.0 Between receiving the opponent's lineup card and the first pitch of the game is the ONLY period of time that a team can protest that a player on the lineup up card is NOT on the opponent's official NCBA roster.
- 5.05.1 If, after first pitch, a player is found to be NOT on the opponent's official NCBA roster, the violating player AND Head Coach are ejected for the remainder of the game.
- 5.05.1.1 All statistics and game results prior to violating player being ejected will remain official.
- 5.06.0 All substitutions must be reported directly to the home plate umpire at the time of the substitution.
- 5.06.1 Failure to report a substitution before the next pitch occurs, will result in an AUTOMATIC ejection of the designated manager/head coach.
- 5.07.0 If for any reason either at the start or during the course of a NCBA DI game, a team has fewer than 9 eligible players, the game is AUTOMATICALLY declared a forfeit.
- 6.00.00 (Roster Size)
- 6.01.0 The official eligible NCBA roster is limited to no more than 33 players.
- 6.02.0 The 33 players listed on the roster are the ONLY players allowed to compete in any **NCBA Sanctioned Baseball Game**.
- 6.02.1 Any team with a roster of at least 9 eligible players found playing a player in a **NCBA Sanctioned Baseball Game** not on the current official roster will be subject to a forfeit for all games that the above-mentioned player has competed in (See On-Field Protest Verbiage).
- 6.02.1.1 Any team with a roster of at least 9 eligible players found playing a player in a **NCBA Sanctioned Baseball Game** not on the current official NCBA roster will, whether protested correctly or incorrectly, result in \$100 being deducted from the team's performance bond.
- 6.02.1.1.1 Starting in the 2020-2021 season, teams will be deducted \$200 for each infraction.
- 6.02.2 In the event that a **NCBA Sanctioned Baseball Game** is played with one team having less than nine eligible players on their roster, the game will become an AUTOMATIC forfeit and the team will AUTOMATICALLY be placed on probation.

- 6.02.2.1 In the event that the team with a roster of at least 9 eligible players wins a game(s), the score(s) for those game(s) will go down as recorded. Teams must reference NCBA rules 24.07.0 in regards to stats for these games.
- 6.02.3 In the event that a **NCBA Sanctioned Baseball Game** is played with neither team having at least nine players on their eligible roster, then the game itself is declared a double forfeited tie that the front office will impose and the player statistics from that game DO NOT count and both teams are AUTOMATICALLY placed on probation.
- 6.03.0 No more than 4 non-rostered personnel are eligible to be in the dugout during any **NCBA Sanctioned Baseball Game**.
- 6.03.1 Player coaches on the eligible roster do not count against the 4 person limit.
- 6.03.2 Violation of rule constitutes the Head Coach of violating team to be automatically ejected.
- 6.03.3 Should a Head Coach or any other non-rostered personnel be ejected during a game, they cannot be replaced in the dugout by another non-rostered personnel for that game.
- 6.04.0 Each player, coach and manager on the roster MUST have a signed liability waiver on file with the NCBA.
- 6.04.1 Any team found playing a player (in a **NCBA Sanctioned Baseball Game**) without a liability waiver on file with the NCBA may be removed from the NCBA without reimbursement.
- 6.05.0 Each team is allowed to add players to their roster at any time up until and including April 15. Once the team's roster has grown to 33 players, no more players may be added.
- 6.05.1 In a single NCBA season, no more than 5 players can be removed from a team's official NCBA roster.
- 6.05.1.1 To be eligible to be removed from the roster, it must be documented that the player in question has either: graduated, transferred to another College or University, withdrawn from the College or University, is studying abroad for the spring semester, has sustained a season ending injury or is on a school sponsored co-op/internship that is equal to or greater than 200 miles from their designated campus.

- 6.05.2 Schools with both a NCBA DI and DII team are permitted to move up to a total of 3 players up or down between the DI and DII team in a given NCBA season.
- 6.05.2.1 No player can be moved more than once in a single NCBA season.

-
- 6.05.2.5.1 The deadline remains prior to the 4th conference game even if any or all of the first 3 conference games of the season result in forfeits.
- 6.05.2.5.2 In the event that any or all of the first 3 conference games are rained out, those rained out games no longer count as one of the first 3 played or forfeited conference games unless they are rescheduled to a date that would keep them as such.
- 6.06.0 Players are not deemed eligible to participate in any **NCBA Sanctioned Baseball Game** until their paperwork has been processed with the league. When the player appears on the team's roster, which is available on the Official NCBA Website (www.clubbaseball.org), then that player is then eligible to compete in **NCBA Sanctioned Baseball Games**.
- 7.00.00 (Eligibility)
- 7.01.0 Players are not deemed eligible to participate in any **NCBA Sanctioned Baseball Game** until their paperwork has been processed with the league. When the player appears on the team's roster, which is available on the Official NCBA Website (www.clubbaseball.org), then that player is then eligible to compete in **NCBA Sanctioned Baseball Games**.
- 7.02.0 Any team found playing an ineligible player will be subject to forfeiting all games that that ineligible player participated in while holding an ineligible status (See On-Field Protest Verbiage).
- 7.03.0 All players playing in a **NCBA Sanctioned Baseball Game** MUST be a member of the Institution, which that team represents. An example is that no member of the University of Texas may play for the Texas A&M Baseball Club.
- 7.03.1 Students from a school's Satellite campus ARE eligible to participate on the main campus's club baseball team, given that the satellite campus does not have its own NCBA sanctioned baseball team.
- 7.03.1.1 If a school has no dedicated main campus, the NCBA reserves the right to declare a main campus for that institution.
- 7.03.2 Players who begin the Spring season as a registered student and then graduate in the middle of the season will remain eligible to compete for the remainder of the season.
- 7.04.0 A player with any previous **professional experience** in the sport of baseball is NOT eligible to play in any **NCBA Sanctioned Baseball Game**.
- 7.05.0 If a player makes an official appearance for their school's varsity baseball team in five or more official sanctioned intercollegiate-level baseball games, they immediately become ineligible to compete in the NCBA for the remainder of the season.
- 7.06.0 Faculty/Staff members are eligible to play in any **NCBA Sanctioned Baseball Game** provided that they meet all NCBA eligibility and Academic eligibility rules.

- 7.08.0 Any player playing in a **NCBA Sanctioned Baseball Game** MUST have enrolled with **Full-Time Status** before their 25th Birthday.
- 7.08.1 The only exception is if a Student went from High School to the Military and then enrolled full time in college during the semester immediately following their discharge from the military.
- 7.08.2 In this case, the student athlete will only be granted the amount of eligibility left had he/she started their freshman year at age 24.
- 7.09.0 Each student-athlete shall complete his five seasons of participation in intercollegiate baseball within six calendar years from the beginning of the semester or quarter in which the student-athlete first registered for a minimum full time program of studies in a collegiate institution, with time spent in the armed services, on official church missions or with recognized foreign aid services of the U.S government being excepted.

It is not permissible to extend the six-year period by additional time beyond the first opportunity to enroll; i.e. the opening day of classes of the first regular term at the institution in which the student athlete enrolls as a regular student immediately following the termination of the active duty commitment.
- 7.10.0 For a player to participate in the NCBA using a fifth year of eligibility, that player must NOT have exhausted four years of eligibility at the Varsity Level.
- 7.11.0 If a player is injured and is unable to play any part of a season, he may file an appeal for a medical red shirt. If the appeal is granted, the player may be granted an additional season of competition. All appeals must be filed with the NCBA Commissioner and are granted at the Commissioner's discretion.
- 7.12.0 NCBA rules indicate that any competition, regardless of time, during an intercollegiate baseball game counts as a season of competition. It does not matter how long the player was involved in a particular game (for example, one at bat, one pitch, one pinch running appearance), the player is charged with one season of competition.

12.02.1 If a baseball can't be identified as having ever been an official Rawlings NCBA league ball **OR** if the umpire deems that the ball is physically unfit for play, then it is illegal for use in a **NCBA Sanctioned Baseball Game**.

12.03.0 Any game played without the required number of official league balls will result in a forfeit against the home team upon protest.

12.03.1 In the event that an illegal ball is discovered in play, the home team can immediately replace the ball with a legal one with no risk of a forfeit.

12.03.2 In the event that an illegal ball is discovered in play, the result of the previous pitch stands and play is continued with an official league ball.

13.00.00 (Medical Personnel)

13.04.0 While it is not required for the home team to provide onsite medical personnel (i.e., trainer or EMT), the home team is required to provide some sort of communications equipment capable of summoning medical personnel in the event of an emergency (i.e. cell phone with service).

- 15.06.0 In the event that a home team desires to secure a home field for use during any **NCBA Sanctioned Baseball Game** that is more than 75 miles from their campus, they must seek and be granted approval by their scheduled opponent and Regional Director in advance.
- 15.06.1 In this case, the home team must submit their request for approval to their scheduled opponent and Regional Director (via email **AND** phone call) no less than 14 days prior to the first day of the scheduled week in which the respective game(s) are scheduled to be played.

-
- 15.06.2 In this case, the visiting team has 5 days from the date of requested approval to respond to the home team and Regional Director, otherwise, the home team is granted approval by default.
- 15.06.3 In the event that the home team fails to request approval in a timely manner or is not granted approval by their scheduled opponent, they will be forced to find a field closer to campus or forfeit the game(s).
- 15.06.4 However, in the event that the home team fails to request approval in a timely manner and/or the visiting team has denied the home team approval to use the field in question, yet the visiting team travels to this field in question regardless, then the NCBA will automatically assume that the visiting team approves of the use of the field in question.
- 15.07.0 In the event that a home team desires to secure a home field for use during any **NCBA Sanctioned Baseball Game** that is between 25 and 75 miles from their campus, they must notify their scheduled opponent and Regional Director in advance.
- 15.07.1 In this case, the home team must submit their notification to their scheduled opponent and Regional Director (via email AND phone call) no less than 7 days prior to the first day of the scheduled week in which the respective game(s) are scheduled to be played.
- 15.07.2 In the event that the home team fails to notify their opponent in a timely manner, they will be forced to find a field closer to campus or automatically be placed on probation.
- 15.08.0 The NCBA encourages that if a home team's field is unplayable due to weather and the visiting team is able to secure a field and umpires within 25 miles from the home team's campus, that the game be played at the alternate field.
- 15.09.0 The NCBA requires that within 1 hour from the scheduled start time of any NCBA regular season baseball game, that once both teams have arrived on site AND the field is available for the game, the visiting team should be afforded an equal amount of time to use batting cages and the field for warm ups as the home team.
- 15.10.0 If unsafe objects exist inside the normal field of play, the home team will be afforded the opportunity to remove the object(s) or mitigate the hazard prior to play continuing.

- 16.00.00 (Reentry)
- 16.01.0 There is NO Reentry allowed in any Division I **NCBA Sanctioned Baseball Game**.
- 17.00.00 (Designated Hitter)
- 17.01.0 The NCBA follows NCAA Designated Hitter Rules which state that the designated hitter may only be used for the pitcher. The NCAA rule is listed below for convenience:
- 17.02.0 The designated hitter (DH) is a player designated to bat for the starting pitcher and all subsequent pitchers. The DH may bat in any position in the lineup, and this position cannot be changed. The DH must be so designated before the game and included in the lineup cards presented to the umpire-in-chief. In this case, the team actually is using 10 players, with the pitcher not listed in the batting order.
- 17.03.0 It is not mandatory that a player be designated to bat for the pitcher. If the pitcher is listed in the starting batting order, the pitcher automatically becomes the DH. In this case, the pitcher is to be considered as two players, both pitcher and DH, and can be substituted for as such.
-

- 17.03.1 Note: For substitution purposes, the pitcher is not to be considered a defensive position.
- 17.04.0 The designated hitter is subject to the following conditions:
- 17.04.1 Pitcher or DH is moved to a defensive position (10-player lineup)
- 17.04.1.1 If the DH is not the pitcher and the DH or the pitcher is moved to a defensive position (this change may be made at anytime):
- 17.04.1.1.1 The DH is terminated for the remainder of the game.
- 17.04.1.1.2 The pitcher being placed at a defensive position must bat in place of the defensive player removed, unless more than one substitution is made. The coach must designate their positions in the batting order at that time.
- 17.04.1.1.2.1 If two or more substitute players of the defensive team enter the game simultaneously, the coach or a representative immediately shall designate to the umpire-in-chief the position of each in the team's batting order. If this is not done immediately, the umpire shall place them in the batting order.
- 17.04.1.1.2.2 **A.R.**—When the pitcher is not the designated hitter, moving the pitcher to a defensive position and bringing in only one new substitute player does not constitute multiple substitution for the purpose of batting-order changes. The pitcher moved to the defensive position must bat in the spot of the defensive player replaced and the new pitcher must bat in the DH position.
- 17.04.1.1.3 If only one substitution is made, the new pitcher must bat in the previous spot of the DH.
- 17.04.1.1.4 **A.R. 1**—Multiple substitution, used for the purpose of changing the batting order, does not occur unless two new players (not including the pitcher going to a defensive position) are brought into the game.
- 17.04.1.1.5 **A.R. 2**—The DH is moved to a defensive position and the pitcher remains in the game as the pitcher. If the DH is placed at a defensive position, the DH is terminated. The former DH, who now is a defensive player, must continue to bat in the original DH spot. The pitcher must bat in the lineup spot of the removed defensive player).
- 17.04.1.1.6 **A.R. 3**—When the designated hitter and the pitcher both enter on defense at the same time, the coach must designate the positions in the batting order of the new pitcher and the previous pitcher.
- 17.04.2 Game pitcher is not the DH (10-player lineup)
- 17.04.2.1 If the game pitcher is not the DH and is replaced as the pitcher, the replaced pitcher may:
- 17.04.2.1.1 Upon removal from the pitching position, he may be immediately inserted as the DH; the pitcher may not re-enter the game in any other capacity.
- 17.04.2.1.2 At any time, 1) be moved to a defensive position and must bat in place of the defensive player removed. The DH is terminated, or 2)

- be removed as a pitcher but remain in the game and bat for the DH. This change must be announced at the time the pitcher is removed. There is no loss of the DH but the player may not re-enter the contest in any other capacity.
- 17.04.2.1.3 **A.R.**—At any time, before the pitcher's removal as the game pitcher, he may pinch run or pinch hit for only the DH and become the DH.
- 17.04.3 DH is not the pitcher (10-player lineup)
- 17.04.3.1 If the DH is not the pitcher and is replaced offensively, the original DH may replace the pitcher at the time of substitution.
- 17.04.3.1.1 The individual may not return as the DH or in any other capacity.
- 17.04.3.1.2 There is no loss of the DH.
- 17.04.3.1.3 Once a player leaves the offensive lineup, that player cannot return offensively.
- 17.04.3.1.4 **A.R.**—The DH may go in to pitch, then subsequently be relieved as the pitcher and still remain the DH.
- 17.04.4 Replaced as a DH (nine-player lineup)
- 17.04.4.1 When the P/DH, whether as the starting P/DH or a subsequent one, is replaced as the DH, the individual may remain in the game as a pitcher. However:
- 17.04.4.1.1 The P/DH cannot subsequently move to a defensive position.
- 17.04.4.1.2 The P/DH cannot return as the designated hitter.
- 17.04.5 P/DH replaced as a pitcher (nine-player lineup)
- 17.04.5.1 When replaced as the pitcher, the P/DH may:
- 17.04.5.1.1 Remain as the DH and bat only in the DH spot. If remaining a DH, the individual or a subsequent DH cannot enter the game in any other capacity (i.e., as the pitcher, defensive player or pinch runner).
- 17.04.5.1.2 The DH may be moved to a defensive position at the time, but:
- 17.04.5.1.2.1 The DH is terminated for the remainder of the game.
- 17.04.5.1.2.2 The P/DH being placed at the defensive position must bat in the original DH spot.
- 17.04.5.1.2.3 The new pitcher must bat in the spot of the replaced defensive player.
- 17.04.5.1.2.4 If the P/DH goes to a defensive position, the individual may return as a pitcher once since the P/DH originally was considered as two different players. Whether the runner actually was attempting to reach the base (plate) or attempting to dislodge the ball from the fielder; or (3) Whether the runner was using flagrant contact to maliciously dislodge the ball.

19.02.1.1.1 PENALTY—If the runner attempted to dislodge the ball, the runner shall be declared out even if the fielder loses possession of the ball. The ball is dead and all other base runners shall return to the last base touched at the time of the interference.

19.02.1.1.1.1 If the fielder blocks the path of the base runner to the base (plate), the runner may make contact, slide into, or collide with a fielder as long as the runner is making a legitimate attempt to reach the base or plate.

19.02.1.1.1.2 If the flagrant or malicious contact by the runner was before the runner's touching the plate, the runner shall be declared out and also ejected from the contest. The ball shall be declared dead immediately. All other base runners shall return to the bases they occupied at the time of the pitch.

19.02.1.1.1.4 If the runner is safe and the collision is malicious, the runner shall be ruled safe and ejected from the game. If this occurs at any base other than home, the offending team may replace the runner.

19.02.1.2 If the defensive player blocks the base (plate) or base line clearly without possession of the ball, obstruction shall be called. The umpire shall point and call, "That's obstruction." The umpire shall let the play continue until all play has ceased, call time and award any bases that are justified in Rule 2 of the NCAA Rules and Regulations. The obstructed runner is awarded at least one base beyond the base last touched legally before the obstruction.

Q: How long do we have to wait for umpires before the game is declared a forfeit?

A: If umpires do not arrive within 30 minutes of the official scheduled start time, then the game is automatically forfeited to the visiting team. In the second game of the double header, the home team has an additional 30 minutes (1 hour from official start time of game 1) from the time game 1 was officially forfeited to get NCBA qualified umpires to the field or the second game is also automatically forfeited to the visiting team.

Q: Can a team start with only 8 players?

A: No, at the Division I, Division II and Division III level, any team that starts the game with fewer than nine players will be forced to automatically forfeit.

See NCBA Rule 5.07.0 (Lineup Cards/Substitutions)

Q: My team is officially scheduled to play an opponent during a certain weekend as it is stated on the NCBA website, but my opponent notified us that they can't play that weekend. Are we obligated to reschedule with them?

A: The NCBA wants teams to honor the official schedule that is listed online. With that being said, it is your choice to either accept forfeit victories OR you can't oblige your opponent and reschedule with them only if your team has availability and it is approved by the Regional Director. The NCBA recommends that if it is any easy "fix" to reschedule with your opponent to do so. At the end of the day the NCBA wants as much baseball played. But in no way are teams obligated to reschedule with their opponents if they can't play on the weekend that is on the official NCBA schedule.

Q: Are we ONLY allowed to play our three conference games against our opponent in one weekend?

A: We recommend adding at least one non-conference game to your three game conference series if at all possible. Realistically, only four games can be played (3 Conference and 1 Non-Conference) against your conference opponent in a single weekend. So, if you play your three conference series games and add a non-conference game against your conference opponent, it'll help with any post-season requirements. Division I teams need three non-conference games while Division II teams need one non-conference game to be eligible for the postseason.

Q: What should I do if my opponent lists a player on their lineup card that is not on their official roster during ground rules?

A: If at ground rules your opponent lists a player that is not on the NCBA official roster, it is up to you at that point to notify your opponent and the umpire of this infraction. The infracting team has the opportunity to correct the mistake, but should they not correct the mistake, the game should be played under protest.
